# Summer Internship Opportunity

## WHAT:

### UX Design High School Internship: A Career Roadmap from Preview to Prototype

Have you ever wondered how great products, mobile apps and websites get developed? Have you ever been frustrated by a digital experience that didn't work like you expected? Both are the result of User Experience Design, or UX. It's a real career helping companies create customer experiences that delight, rather than confuse.

We've created this internship for you to learn the basics skills and processes of UX design, and then apply what you've learned to real challenges from global companies including Google, Deere, GAF, Scotts and Consumer Cellular.

This is a **paid internship**, \$12 per hour, 20 hours per week.

## WHO:

12 students from Jackson, Clinton, Scott high schools will be selected from applicants.

## WHEN:

6-week program runs from June 17-July 25, 9 am -2 pm Monday-Thursday.

## WHERE:

Innovate 120  
120 S. Main Street
